Arrange ultimate work comfort

To efficiently use every inch of space, OmniRoom system includes a set of wall-mounted, tailor-made furniture. All elements are designed purposely to fit like a glove to OmniRoom modules size and design and ensure the best possible ergonomics.

The set includes dozens of elements like desks, tables, cabinets, shelves, and much more. All are created in the same style to give your OmniRoom a coherent, stylish look.

Wall-mounted system

Hang every add-on on any height of any wall, inside or out, and rearrange freely – it's that simple! All thanks to the specially designed hook system.
